Toughened Antique Mirror Collection

Silver collection

Elder Dore

MSA01

Silver collection

Elder Dore

MSA01

A classic antique silver mirror finished with golden oxidation and charcoal clouding over a reflective base. Each sheet is unique, showcasing a non-repeating patina that adds richness and character to kitchens, splashbacks, or boutique interiors. Toughened and moisture-resistant, it combines elegance with practical durability.

Bronze collection

Elder Dore

MBA32

©Marvell Glass

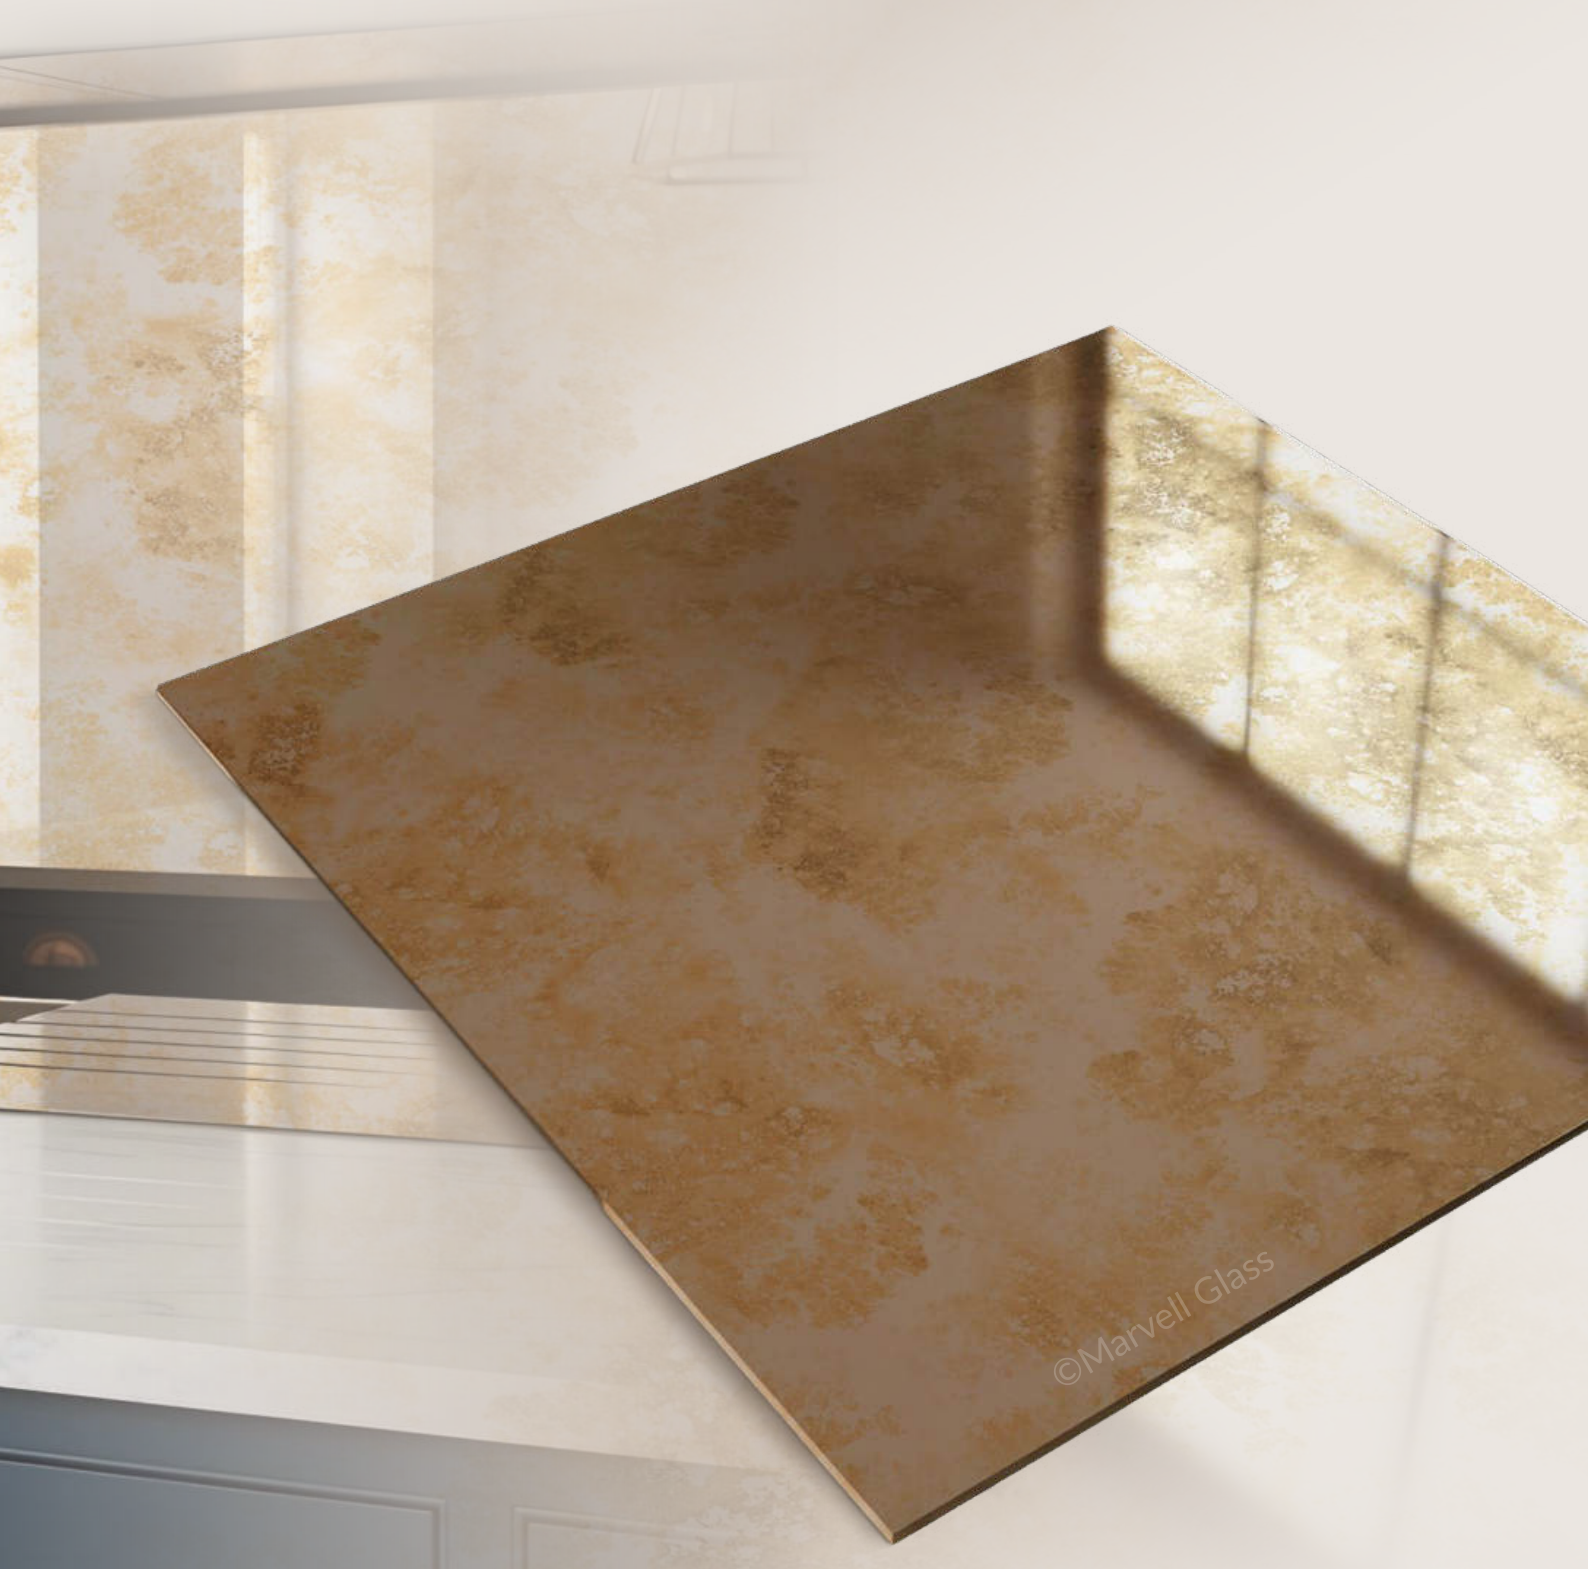

Bronze collection

Elder Dore

MBA32

A bronze reinterpretation of Elder Dore with golden cloud-like oxidation over a warm reflective base. Its glowing antique finish introduces warmth and elegance. Each mirror is moisture-resistant, toughened, and unique.

Silver collection

Veyra Mist

MSA02

Silver collection

Veyra Mist

MSA02

A refined silver antique mirror with soft charcoal veining, creating a timeless clouded effect across the surface. The silver finish delivers a bright yet vintage look, perfect for splashbacks, feature walls, and bespoke furniture. Each sheet is non-repeating, ensuring every installation is one-of-a-kind.

Bronze collection

Veyra Mist

MBA17

©Marvell Glass

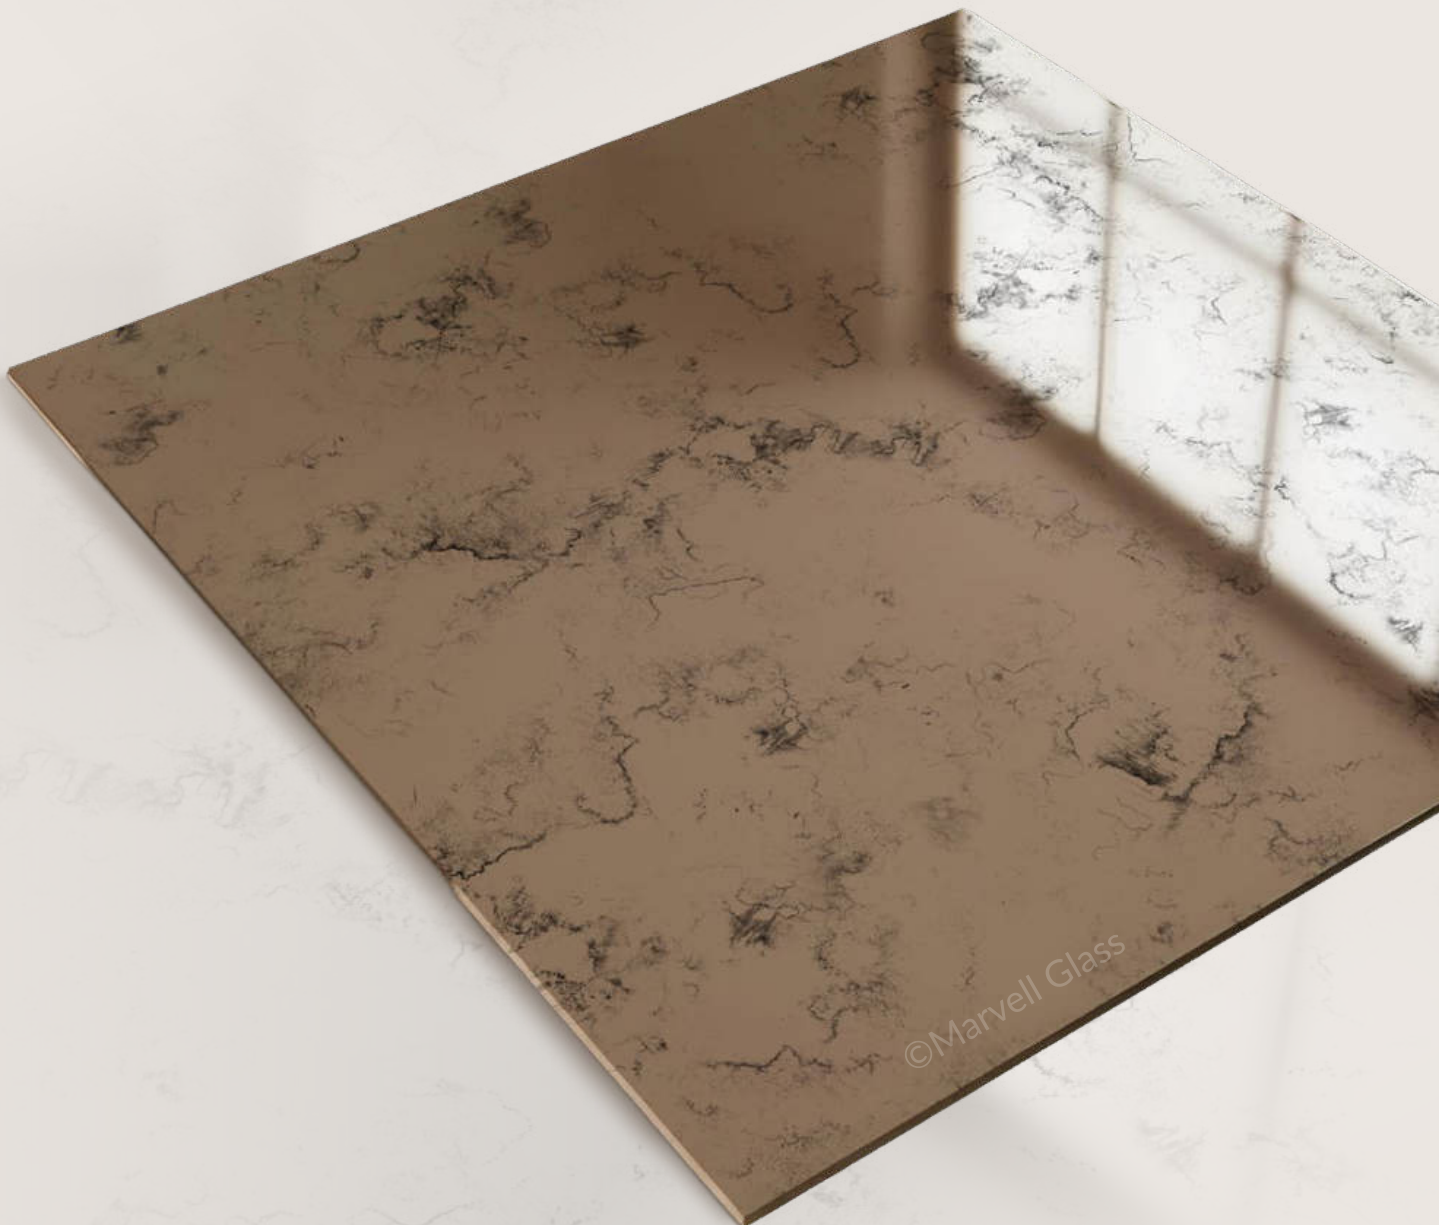

Bronze collection

Veyra Mist

MBA17

A warm bronze antique mirror with delicate charcoal oxidation veining. The glowing bronze tones add depth and richness, making it ideal for kitchens, living spaces, and boutique interiors. Its cloud-like antique pattern is unique in every panel, bringing character and sophistication.

Silver collection

Pietra

MSA03

Silver collection

Pietra

MSA03

Stone inspired antique silver featuring fine brown microveining across a clear reflective base. Warm undertones create a natural, marble-like look that brings calm refinement to interiors. With its durable glass structure and one-of-a-kind patina, it is both decorative and functional.

Bronze collection

Pietra

MBA18

Bronze collection

Pietra

MBA18

Stone-inspired bronze antique mirror featuring warm brown vein tracery. Its natural, marble-like appearance enhances both rustic and luxury settings. Toughened for safety and uniquely aged, it merges artistry with durability.

Silver collection

Aurora Leaf

MSA04

Silver collection

Aurora Leaf

MSA04

Aurora Leaf in silver presents a refined antique leaf effect across a luminous reflective base. The scattered leaf-like patterns create depth and natural elegance, adding character and artistry to any space. Perfect for feature walls, kitchens, or bespoke interiors requiring a sophisticated antique finish with a modern touch.

Bronze collection

Aurora Leaf

MBA19

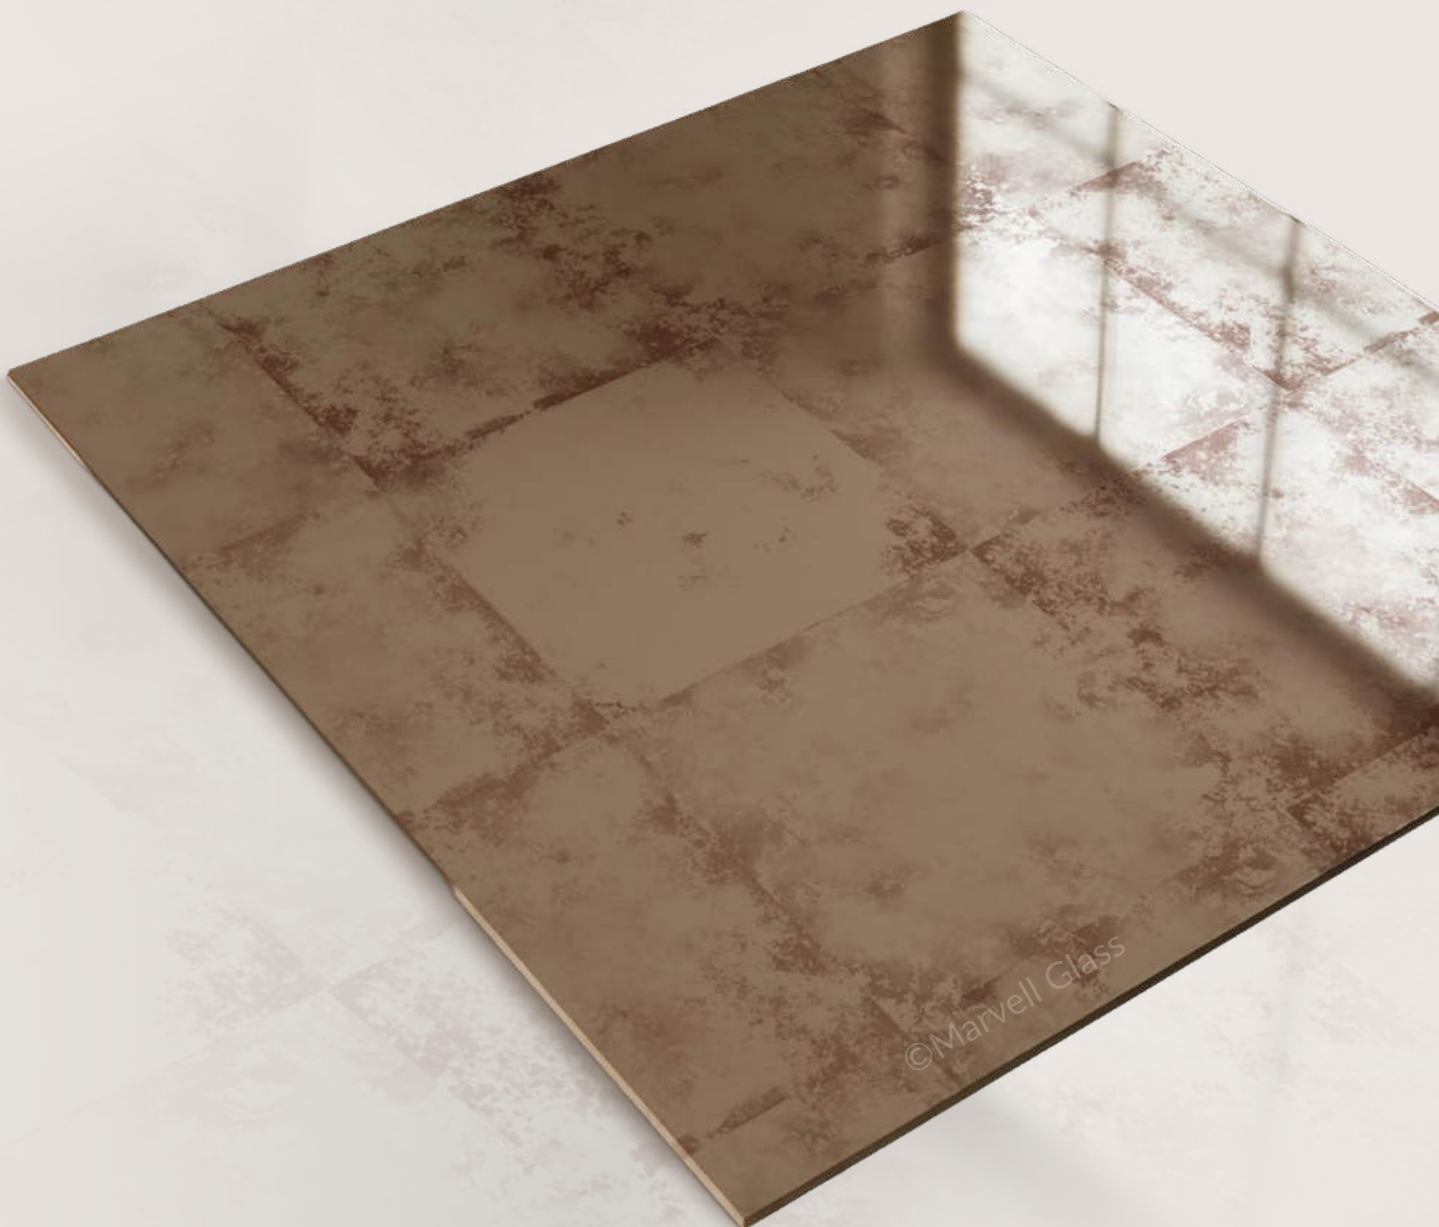

Bronze collection

Aurora Leaf

MBA19

Aurora Leaf is a bronze antique mirror with a luxurious gold leaf effect, where warm metallic veining dances across the surface. The organic layering creates a luminous depth, echoing the elegance of hand-applied gilding. This design brings richness and sophistication, perfect for kitchens, feature walls, or boutique interiors that demand a statement finish.

Silver collection

Obsidian Haze

MSA07

Silver collection

Obsidian Haze

MSA07

A moody antique silver with soft smoky clouding drifting over a bright reflective base. Its diffused depth brings sophisticated atmosphere to splashbacks and walls. With its unique, non-repeating finish, it's as practical as it is striking.

Bronze collection

Obsidian Haze

MBA22

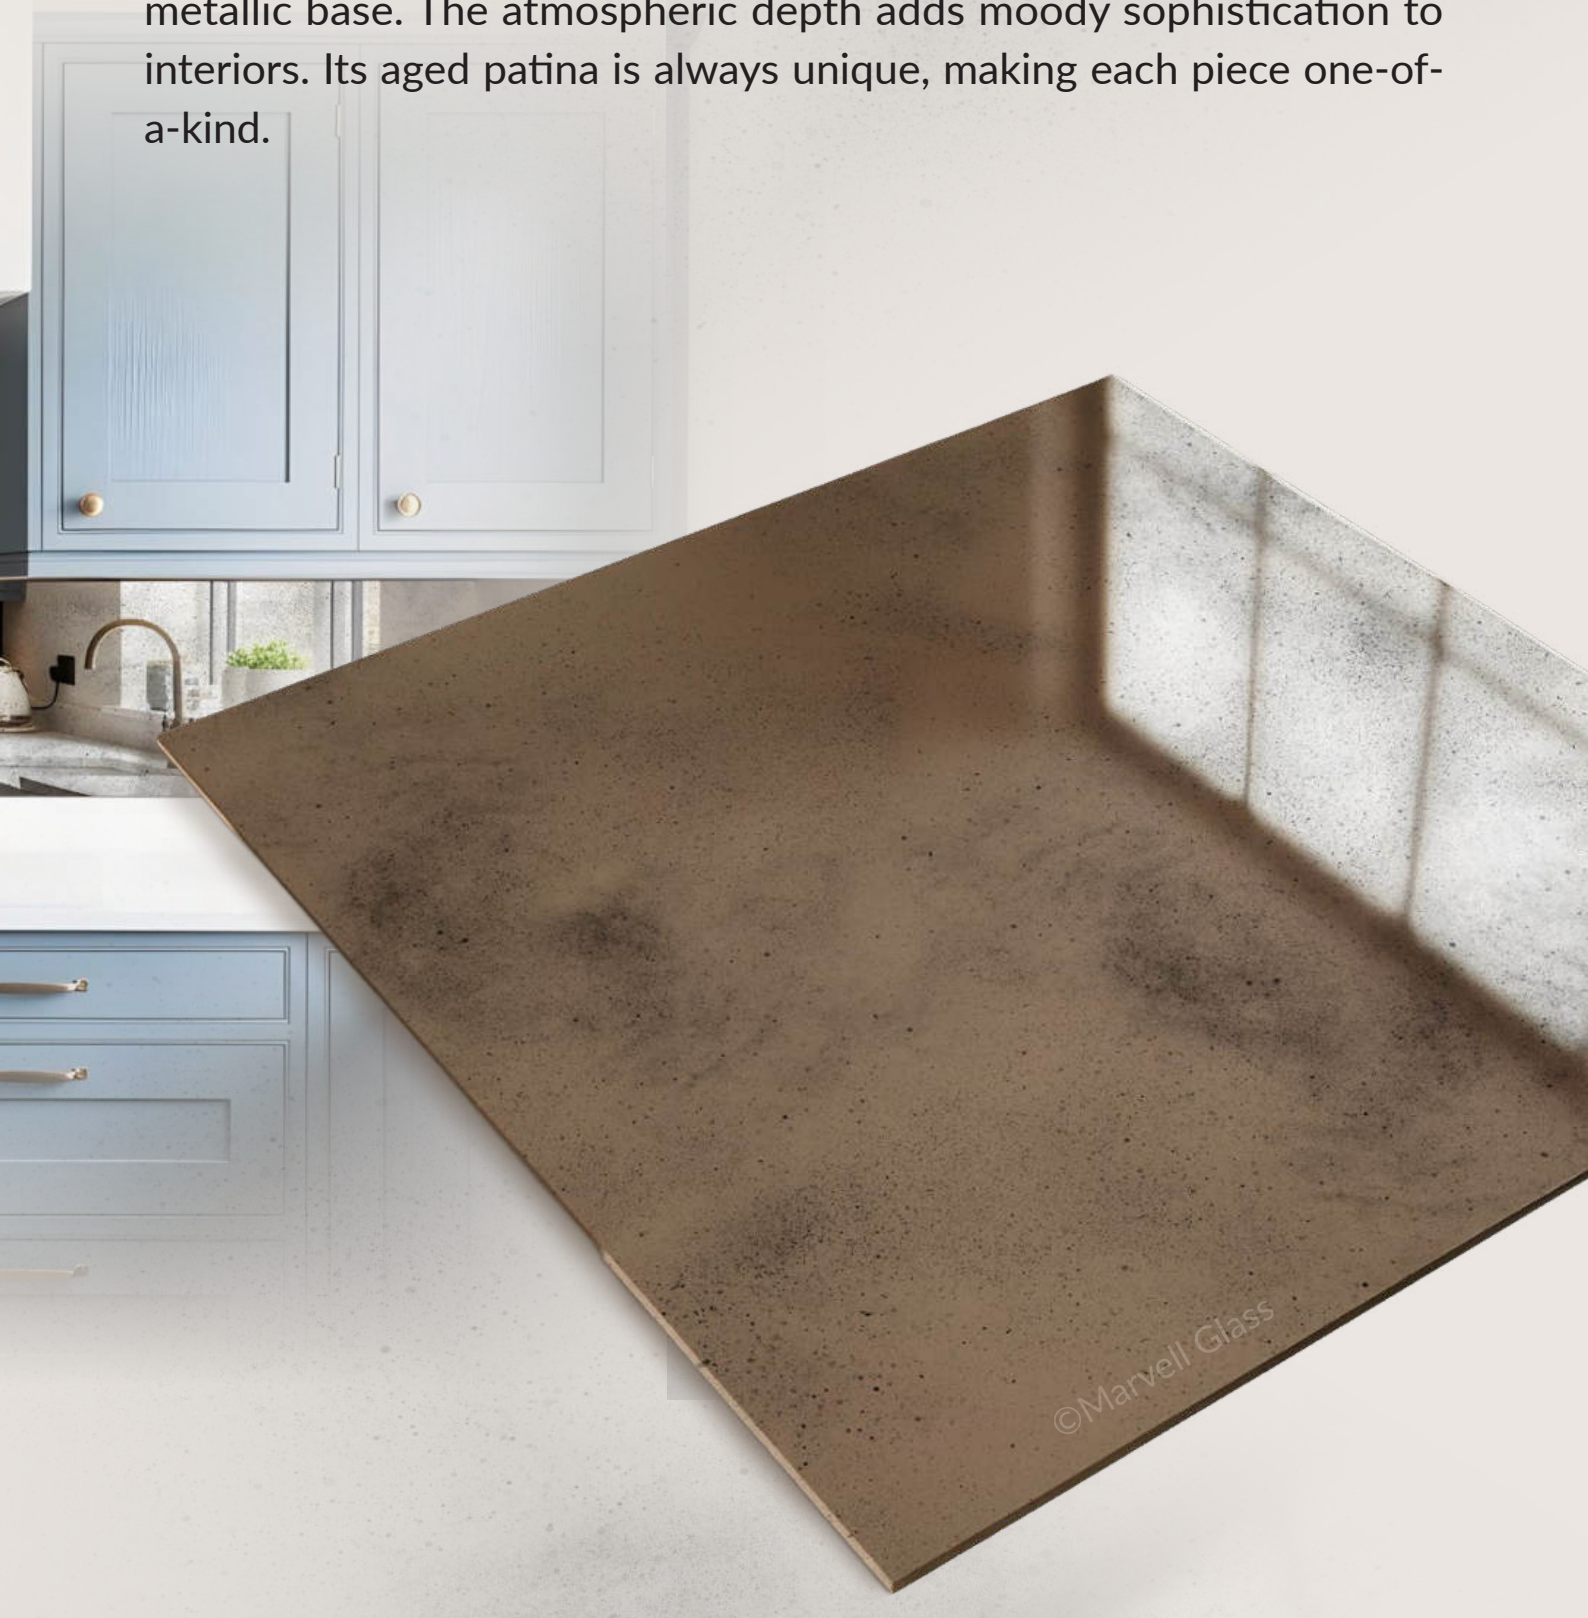

Bronze collection

Obsidian Haze

MBA22

A bronze antique mirror with smoky grey clouding drifting over a warm metallic base. The atmospheric depth adds moody sophistication to interiors. Its aged patina is always unique, making each piece one-of-a-kind.

©Marvell Glass

Silver collection

Florentis

MSA08

Silver collection

Florentis

MSA08

An artistic silver antique mirror layered with delicate floral tracery in grey tones. Decorative and elegant, it blends vintage charm with boutique design. Each piece is individually patterned, offering timeless appeal with durable performance.

Bronze collection

Florentis

MBA23

©Marvell Glass

Bronze collection

Florentis

MBA23

A bronze decorative mirror featuring soft grey floral tracery layered over a warm reflective base. Artistic and boutique in feel, it adds decorative refinement. Toughened and moisture-resistant, it is as practical as it is elegant.

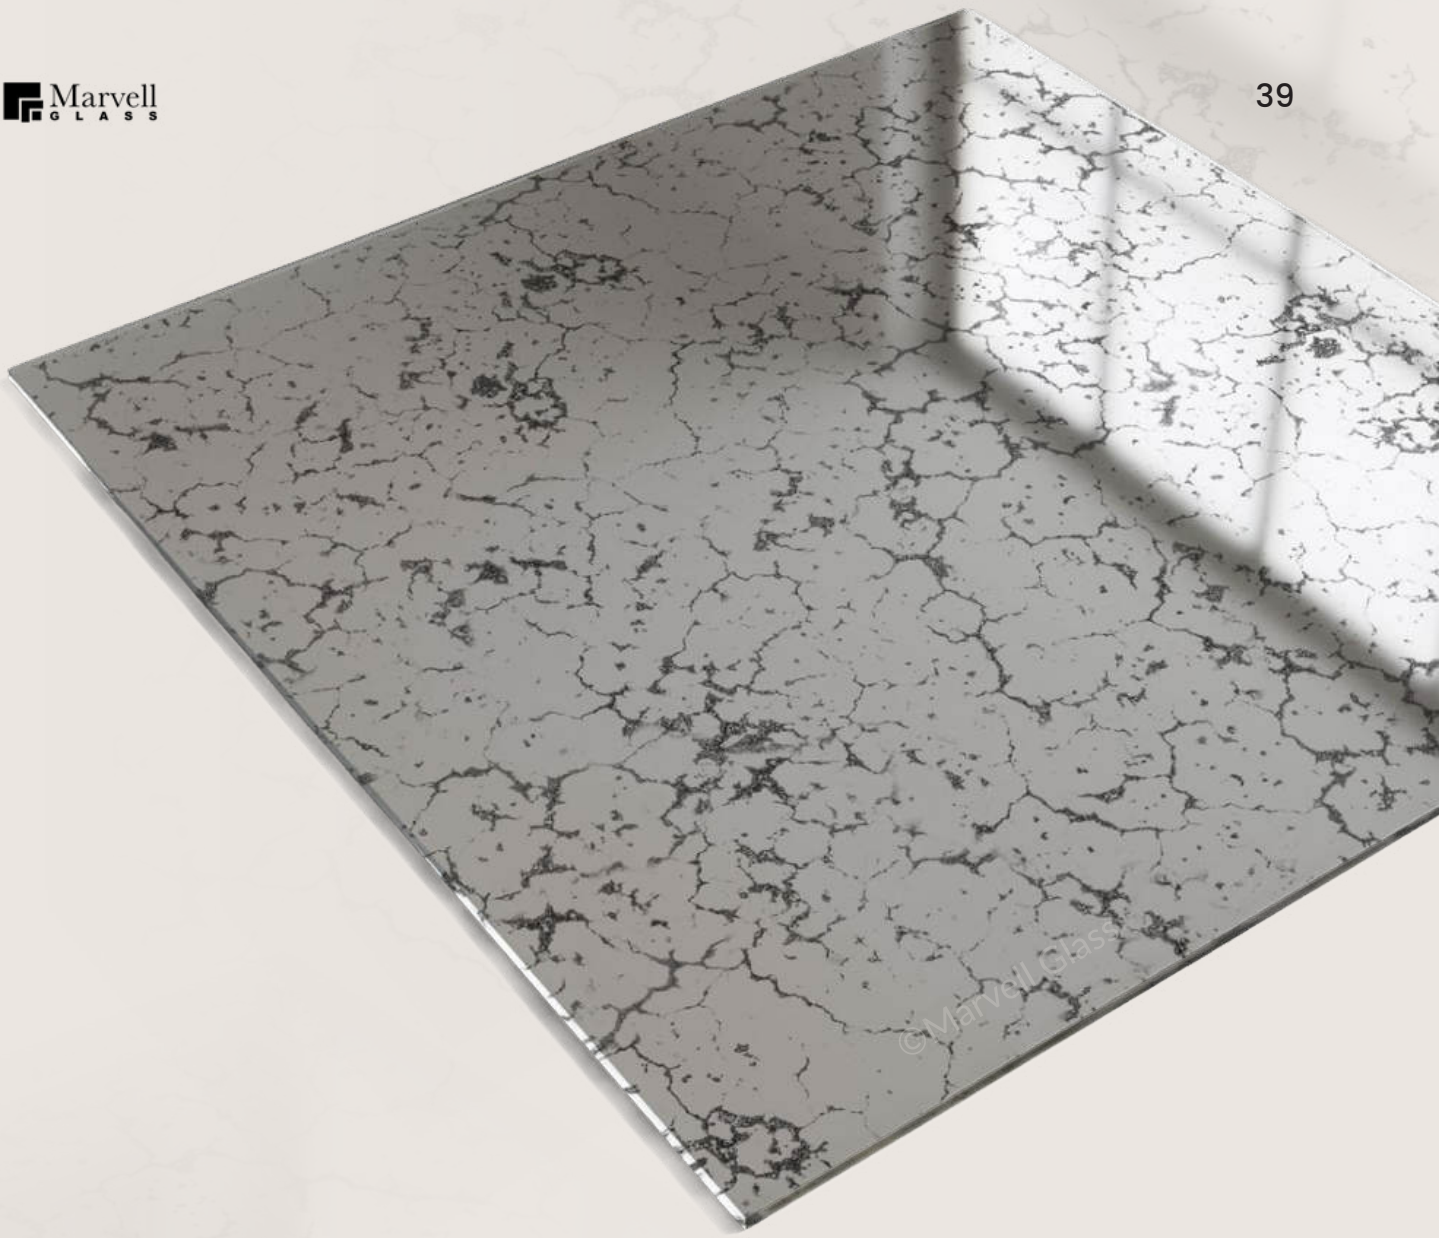

©Marvell Glass

Silver collection

Fractura

MSA09

Silver collection

Fractura

MSA09

A dramatic antique silver mirror with bold, web-like black veining across a luminous base. Its fractured marble character creates a powerful statement surface. Combining one-of-a-kind artistry with strong glass construction, it is perfect for bold feature interiors.

Bronze collection

Fractura

MBA24

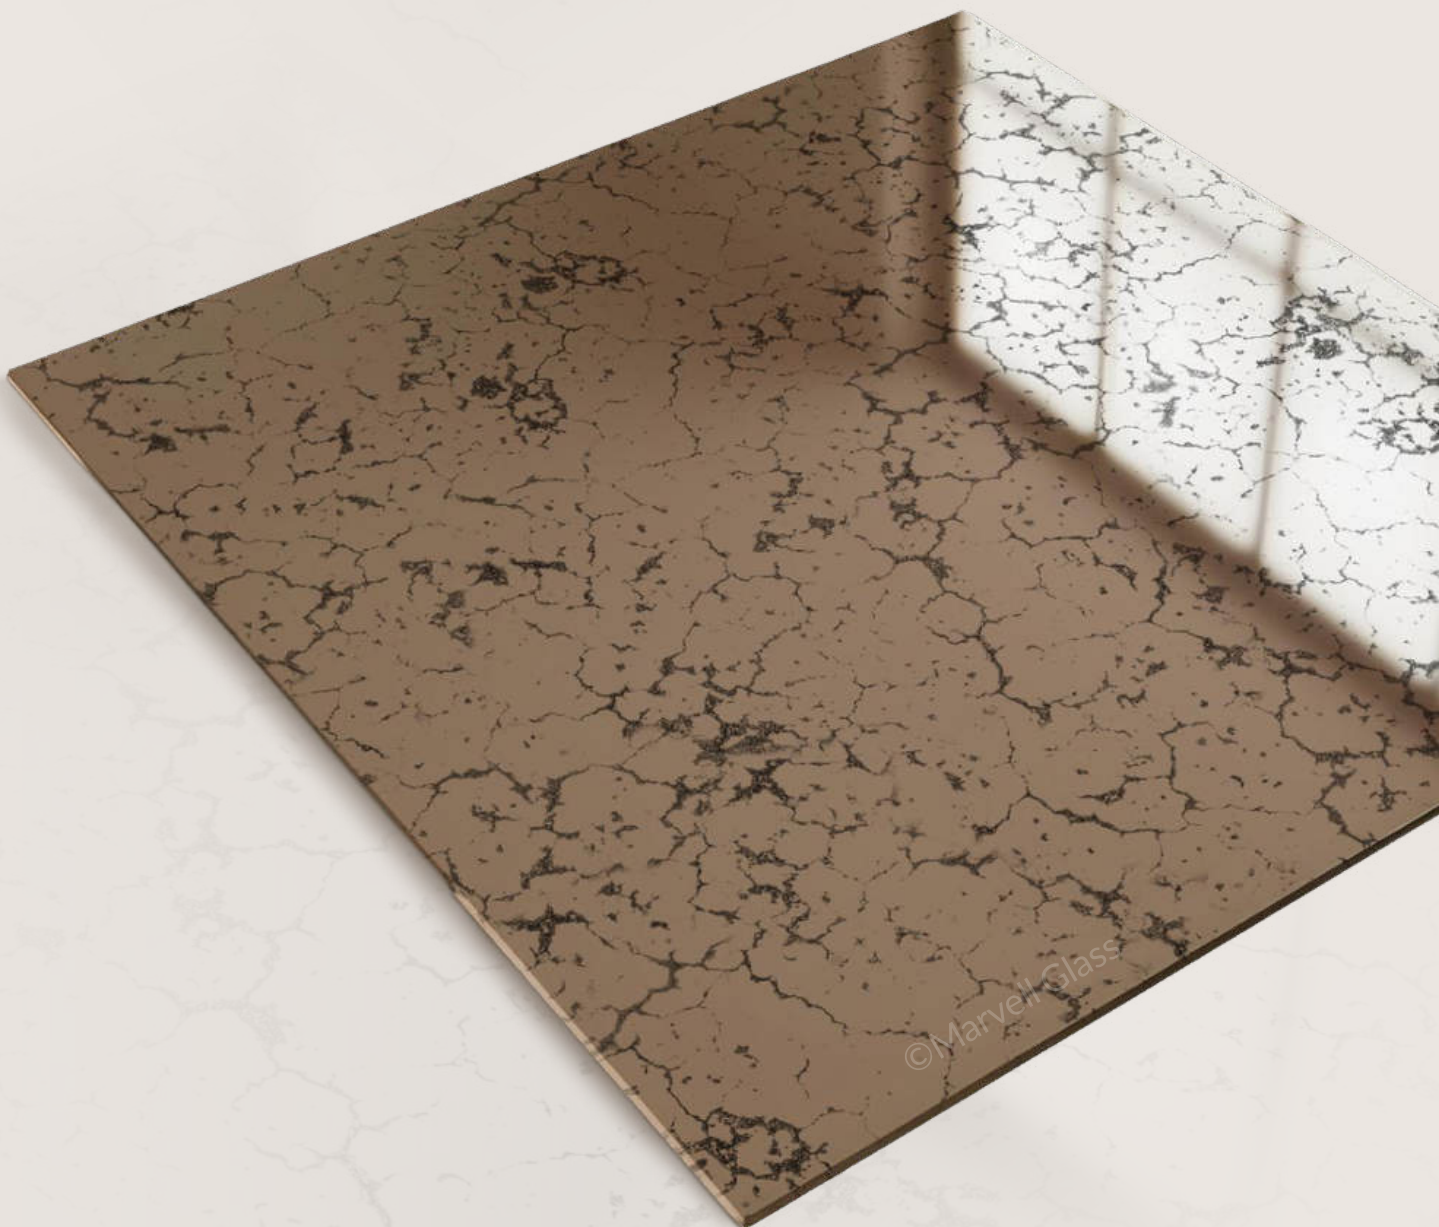

Bronze collection

Fractura

MBA24

A bold bronze antique mirror with fractured black veining across a luminous warm base. Its cracked-marble appearance creates dramatic impact. Each panel is aged individually, ensuring uniqueness and strength.

Silver collection

Sylvaris

MSA10

Silver collection

Sylvaris

MSA10

A silver mirror featuring translucent botanical motifs in cool blue and lilac tones. The antique base enhances the decorative overlay, merging nature with reflective beauty. Toughened for durability, it suits creative boutique projects and statement panels.

Bronze collection

Sylvaris

MBA25

Bronze collection

Sylvaris

MBA25

A creative bronze mirror with translucent blue and lilac leaf motifs set against a warm patina. Its artistic blend of nature and antiquing enhances boutique interiors. Strong and moisture-resistant, it's a decorative and functional choice.

Silver collection

Eira Bloom

MSA11

Silver collection

Eira Bloom

MSA11

A refined silver antique mirror with frosted grey floral bloom patterns across the surface. The misty patina adds elegance while maintaining reflectivity. Durable and moisture-resistant, it is ideal for creating a sophisticated atmosphere.

Bronze collection

Eira Bloom

MBA26

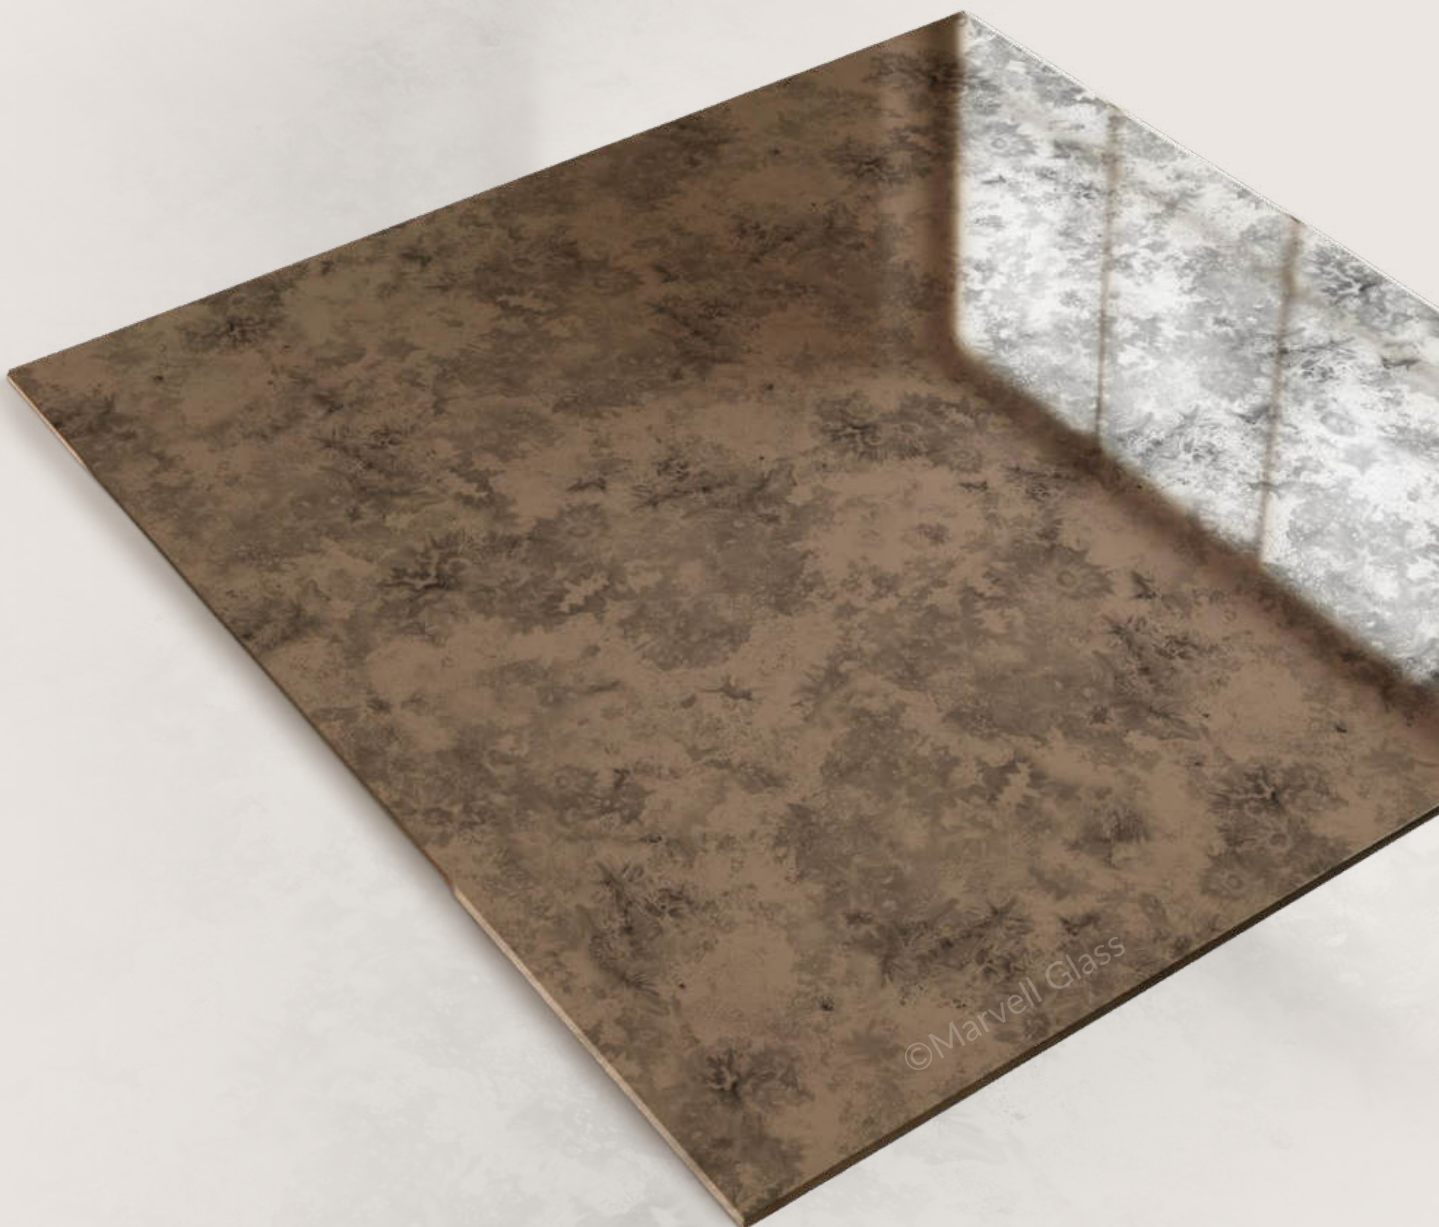

Bronze collection

Eira Bloom

MBA26

A bronze antique mirror softened with frosted floral bloom patterns. Its misty design adds textured elegance while retaining warm reflection. Each sheet is uniquely patterned and durable.

Silver collection

Rustica Ember

MSA12

Silver collection

Rustica Ember

MSA12

A silver antique mirror featuring intricate circular oxidised markings scattered across the surface, evoking a timeless, weathered patina. Its detailed speckled character brings depth and individuality, making it a striking choice for splashbacks, feature walls, or luxury interiors. Durable, moisture-resistant, and easy to clean, it combines elegance with everyday practicality.

Bronze collection

Rustica Ember

MBA27

©Marvell Glass

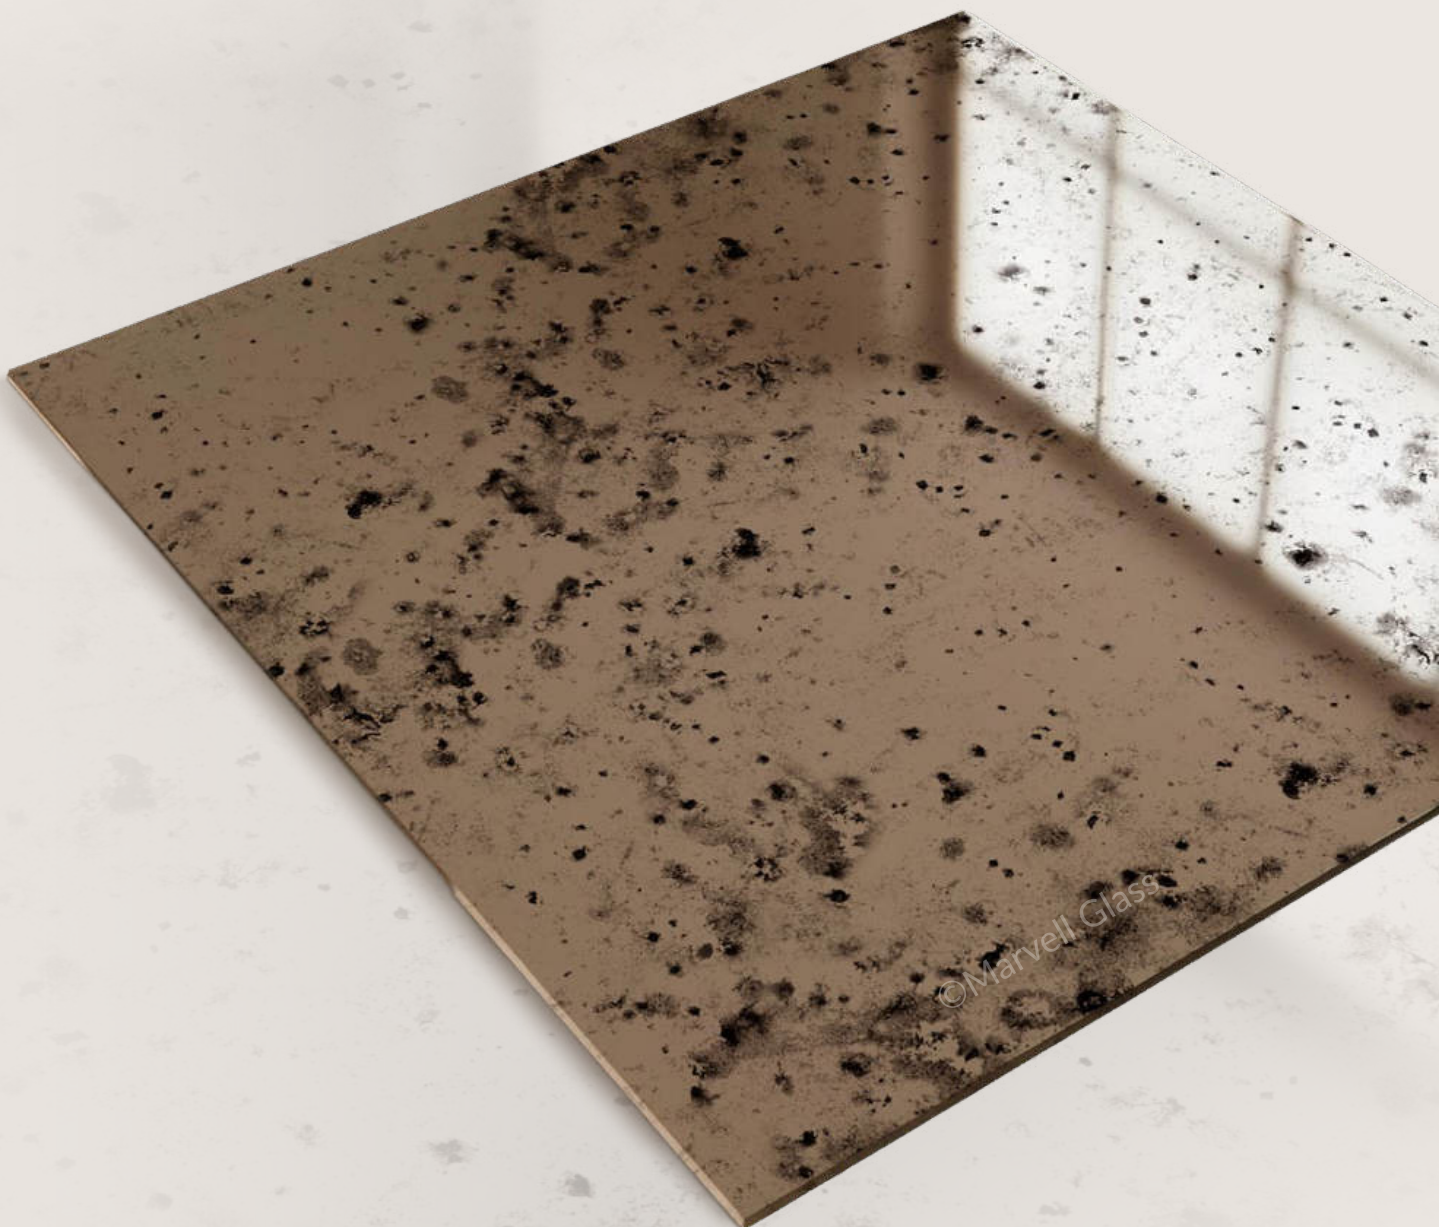

Bronze collection

Rustica Ember

MBA27

A bronze antique mirror highlighted with bold, cloud-like oxidised patterns across its reflective surface. The contrasting dark formations create depth and character, giving the mirror a striking vintage appeal. Toughened, moisture-resistant, and easy to maintain, it is an ideal choice for statement splashbacks, feature walls, or elegant interior accents.

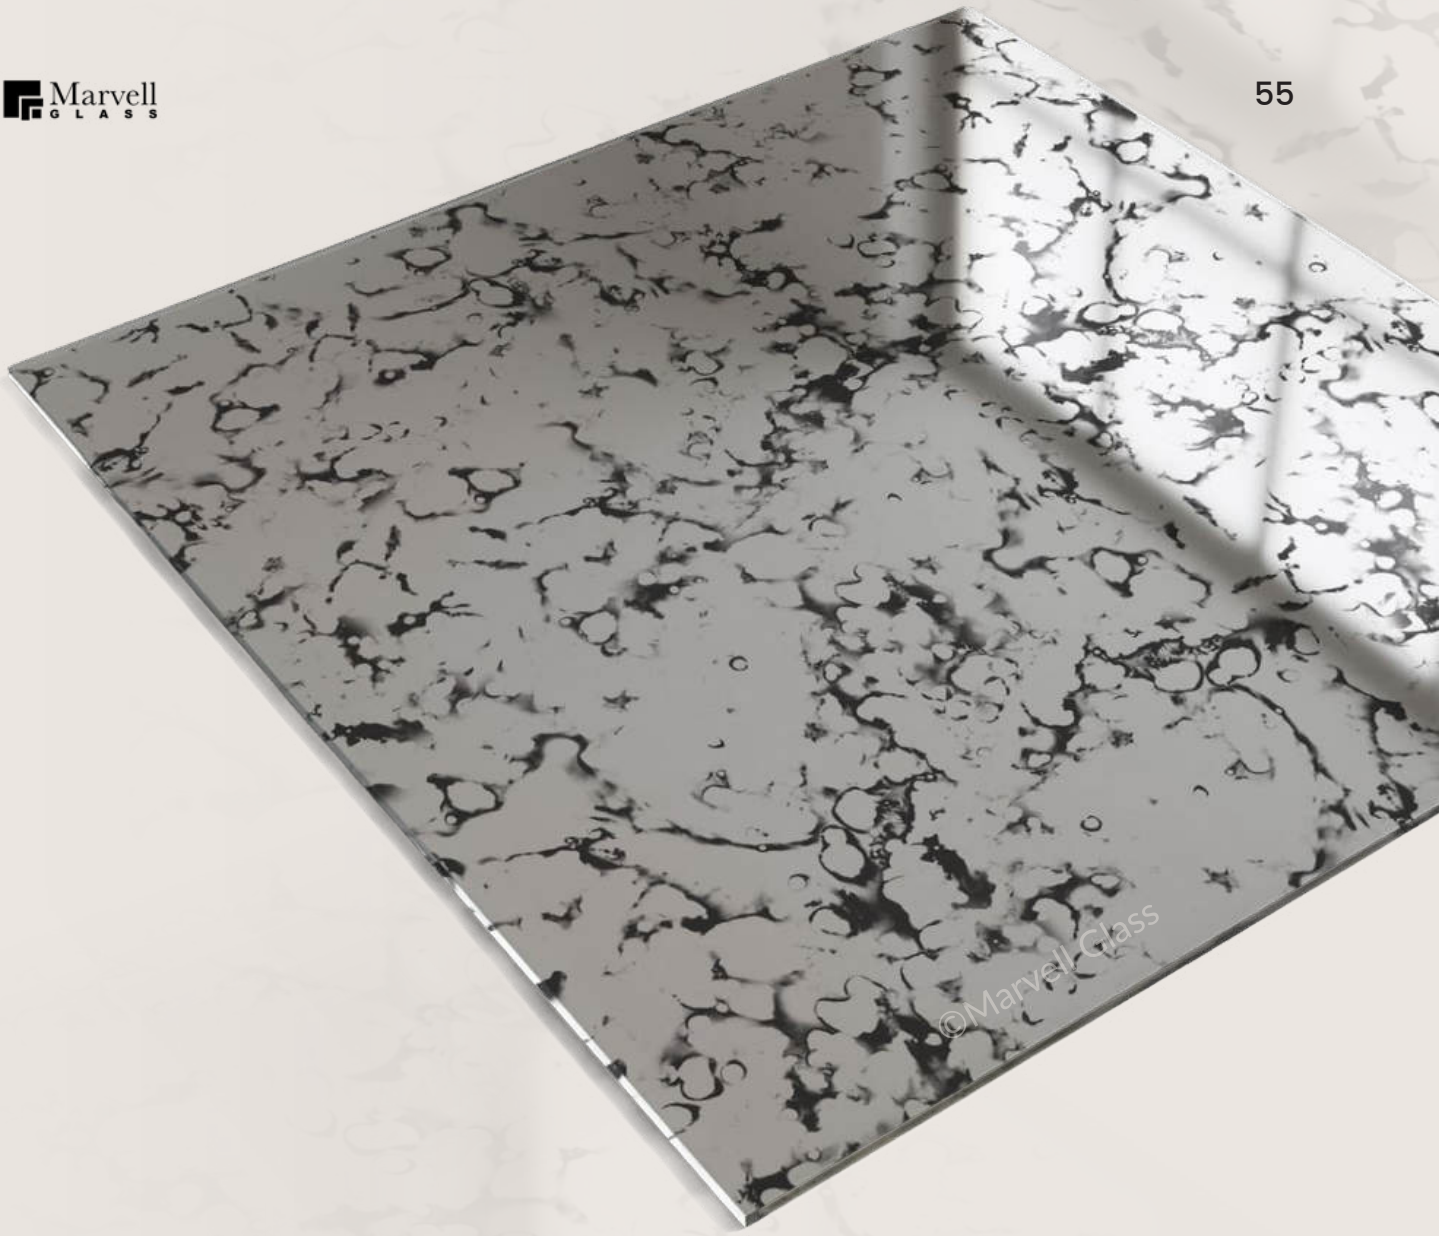

©Marvell Glass

Silver collection

Lunaris Veil

MSA13

Silver collection

Lunaris Veil

MSA13

A gentle silver antique mirror with cloudy grey veils reminiscent of moonlit landscapes. Understated and ethereal, it provides soft depth without overpowering interiors. The unique antique patina and toughened durability make it timeless and practical.

Bronze collection

Lunaris Veil

MBA28

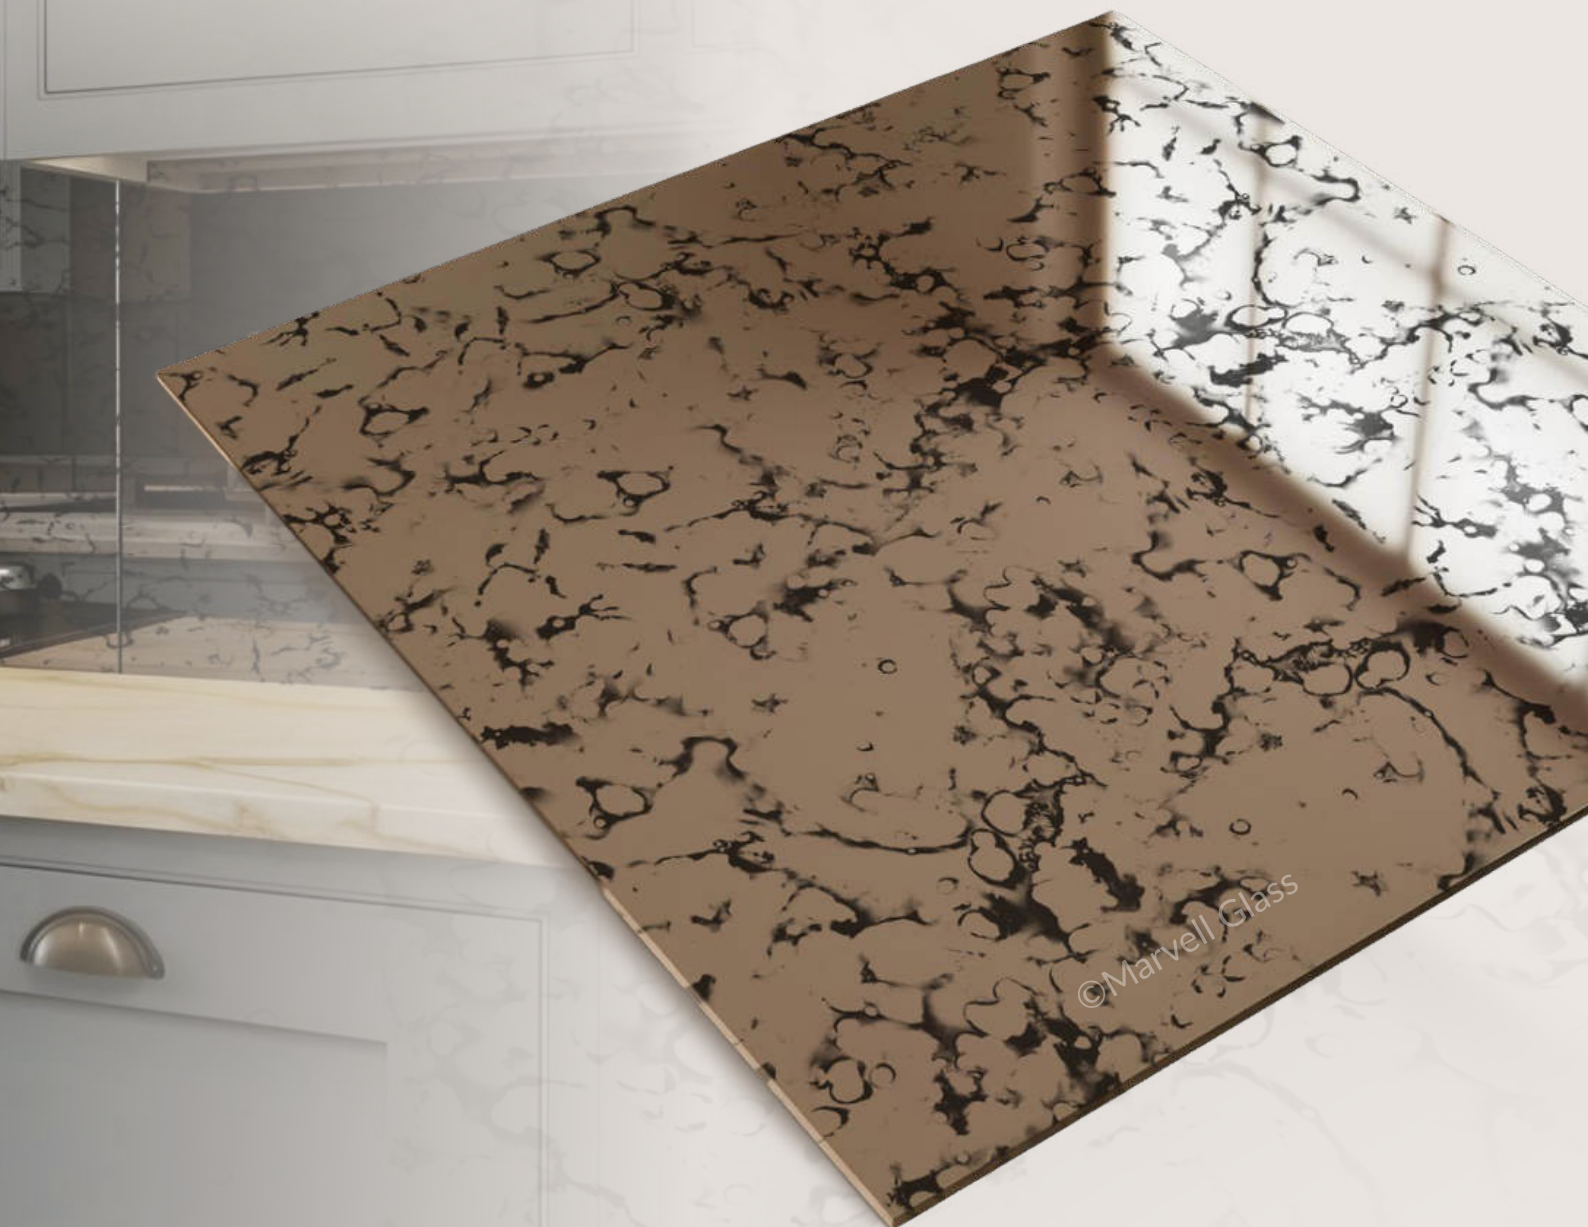

Bronze collection

Lunaris Veil

MBA28

A moody bronze mirror with cloudy, ink-like veils sweeping across its surface. The patina creates an ethereal, dramatic look. Durable and non-repeating, it adds bold sophistication to modern interiors.
